

Do you feel alone in being a “thinking” Christian?

Want to explore your spirituality?

**Life is not a destination,  
but a journey.**

Living the Questions is an open-minded study that seeks to create a safe environment in which participants have permission to ask questions they may have been afraid to voice in church in the past.

**Come, share your curiosity.**

Sundays at 5PM: March 1, 8, 15, 22, 29 and April 5.
